YOUR IMPACT

High School Students

- Generate hope and purpose in youths who want to create impact
- Mentor teams for the [Congressional App Challenge](#) through our events
- Remold underprivileged communities as their students pursue college

College Students and Veterans

- Build teams of innovators who build real-world products for everyone
- Advise veterans as they explore and transition into new careers
- Encourage and equip curious students with tools to nurture their drive

OUR EVENTS

Workshops

- Inject camaraderie and momentum by helping participants find teammates
- Grow our veterans and the underprivileged by transmitting key concepts
- Provide direction and teach skills to shape the workforce of the new normal

Hackathon

- Guide participants through designing, developing, and pitching products
- Highlight talented applicants for schools, scholarships, internships, and jobs
- Connect diamonds in the rough with opportunities and potential employers
